

The OKC RC FLYERS 2017 AMA#5104

Our Field Location GPS 35.59915,-97.5451

16th Annual Swap Meet & Auction

Join the OKC-RC-FLYERS for a day of fun, fellowship, hanger conversation and trading. We are an AMA **Our 5th** Chartered club in the metro Oklahoma City area and are here to support the Flying & RC activities. Did you get a remote control multi-rotor or airplane for Christmas, your birthday, or as a special gift? Great! This is a great opportunity for you to mingle with others who share your interest, find a safe training location, and learn about local flying site like ours at the Chisholm Creek Flying Field. We would like to help you learn how to fly and operate your RC in a safe manner.
